About this app

re3cyclopedia is the public facing brand of the re3, a waste management partnership between Bracknell Forest, Reading and Wokingham Borough Councils. We aim to inspire and encourage residents of re3 Councils to manage their waste responsibly, helping residents to see the value of waste and the real benefits that can be achieved by wasting less and recycling right.

About re3

re3 is a waste management partnership between three councils – Bracknell Forest, Reading and Wokingham Borough Councils, who are working together with FCC environment to provide residents with efficient and cost-effective recycling and waste management facilities.

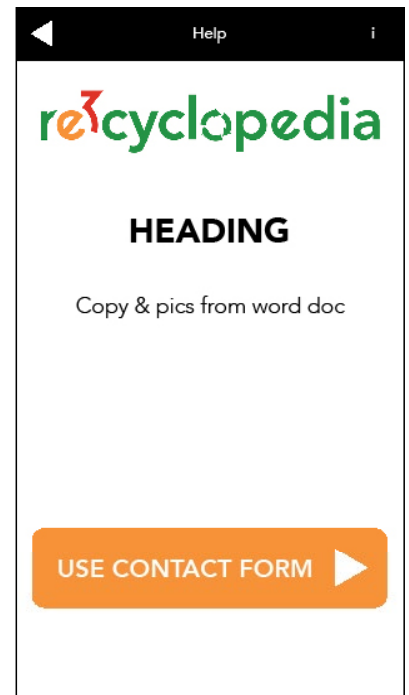

re3 is responsible for arranging the disposal of household waste collected across Bracknell Forest, Reading and Wokingham Boroughs. This includes recyclable waste and general waste collected at the kerbside, at the two Recycling Centres, glass banks and street cleaning.

The partnership was established in 1999 under a joint working agreement approved by each of the three councils. Since 2006, the partnership has been working with FCC Environment, a private contractor.

Our Strategy and Aims

The way waste is treated and disposed of has changed a great deal in recent years and our vision is to provide residents with a high performing service that benefits the whole re3 community. Our principal objectives are to reduce the net cost of waste and to recycle or reuse 50% by 2020.

RULES

The Waste Acceptance Policy outlines limits on certain types of waste that can be taken to the Household Waste Recycling Centres. These limits are in line with the amount of waste that householders produce and are designed to prevent businesses bringing waste to the centres.

Landlords, please note that waste generated from a property that you rent out, maintain or refurbish, is classed as business waste and not household waste.

Sites have been designed to enable disabled access. Should you need any further information please speak to one of our Site Operatives.

Bulky Waste - Bracknell Forest

Title: Bracknell Forest Council

HEADING: BULKY WASTE COLLECTIONS

What can be collected as a bulky item?

As a general rule we will not collect anything that the average family would not ordinarily take if they moved house.

We would normally collect bulky household items such as:

- carpets (please cut and roll into manageable sizes)
- furniture
- household electrical items - fridges and freezers must be empty
- sofas and armchairs

We do not collect:

- DIY, construction and demolition waste
- fitted kitchens, bathroom suites, internal doors
- garden sheds, fences and greenhouses
- garden waste
- items that are over saturated or unsanitary
- any waste from a business premises

The council has absolute discretion as to what it will and will not take as 'bulky waste'.

How much does it cost?

We charge for collection per item of furniture, rather than per set. For example, a bed base, a mattress and a head-board counts as 3 separate items.

Up to 3 items: £43 (£21.50 for households that receive an income-related benefit)

4 to 7 items: £54 (£27 for households that receive an income-related benefit)
